L.H.Dottie® Hex Head Tap Bolt, Stainless Steel, 1/4"-20 x 1-1/2", 100 Pack

★★★★★ (0)

Ships in 2 Business Days

Product Description

Stainless Steel Hex Head Tap Bolts are used in non-critical applications or where corrosion resistance is the primary concern. They are used to pull assemblies together and are manufactured with 304 stainless steel. It is recommended that Stainless Steel Hex Head Tap Bolts be used with stainless steel nuts and washers.

Special Features:

- Fully Threaded
- Corrosion Resistance
