Available on or around 12/02/2026

Product Description

Super Brite is an excellent choice for marking anything that requires a high level of night time visibility and longevity. The tape has an excellent entrance angularity and high intensity micro-prismatic surface. Aggressive adhesive system will adhere to most any clean, dry surface. High Intensity product has a reflective value of over 4 times that of our standard engineer grade products. Intended for application on relatively flat surfaces only.
