Product Description

The Global Industrial™ Free Standing Portable Clear Divider Safety Partition Is Designed For Areas In Need of Social Distancing and Separation of Traffic Flow.

The Clear Partition provides a physical barrier designed to permit workplace controls as guided by OSHA. The partition minimizes the opportunity for contact with airborne contaminants, allowing users to feel safe, comfortable, and separated without affecting your

décor or lighting.

The clear PVC vinyl panel meets NFPA 701 fire resistance standards, making it safe to use anywhere in your facility. Durable vertical steel frame with aluminum cross-bars features an elegant silver powder coat finish. Lightweight and easy to install with provided hardware. Applications include restaurants between tables or carryout counters, classrooms for student teacher shielding, hotels over check-in counters, bar areas, offices between desks, and manufacturing or food processing environments between workstations. **1 Year Limited Warranty.**
