Product Description

Interion® OFFICE PARTITIONS WITH MODULAR WIRE MANAGEMENT RACEWAY
Interion® By Global Industrial Circuit 1 Receptacle
Numbered receptacles identifies which circuit each receptacle is wired to. Receptacles allow easy plug in of electrical devices and provides a conveniently located outlet in partition raceways to power computer equipment and more. Receptacle installs in double-sided power boxes, located in **Panels with Electric Raceways** (sold separately) that have spare or blank receptacle slots. Sold in packages of 4.
