Ideal Warehouse Safe-Bump Forklift Protector 70-1110

★★★★★ (3)

Ships Same Day

Product Description

Forklift Bumpers help Reduce Damage in many applications.

Specifically designed for forklifts, this bumper is made of soft PVC plastic that will absorb impact energy to help prevent damage. Bumper attaches with two 100 lb. magnets and two-way, high strength (VHB) tape for easy installation. Forklift bumper can easily bend 90 degrees to go around corners. Price is per bumper.
