Product Description

LENOX® 20485B106R Demolition Reciprocating Saw Blade - 6 TPI 12"x7/8"x.062" 25-pack

LENOX invented bi-metal reciprocating saw blades and they provide industry-leading cutting performance for professional tradesmen. LENOX reciprocating blades are available for a wide range of cutting applications.

Features:

- Best for demolition and nail-embedded wood
- The patent pending TS tooth design delivers up to 2x the life versus the previous model, making cutting heavy metal faster and easier
- The tallest blade on the market prevents bending and provides maximum control in the toughest demolition applications
- Each blade has a unique configuration including an aggressive tang angle and tapered blade shape to allow for cutting in tight areas

Specifications

Weights & Dimensions

Blade Length	12 in
Blade Thickness	1/16 in
Blade Width	7/8 in

Product Details

Type	Demolition
Teeth per Inch	6
Material	Bi-Metal
Package Quantity	25
Description	Reciprocating Saw Blade
Manufacturers Part Number	20485B106R
For Use With	Demolition
Brand	Lenox
