Global Industrial™ Mayo Instrument Stand With 5-Leg Caster Base

★★★★★ (3)

Ships Same Day

Product Description

✓ 30" to 50" height-adjustable stand
✓ Five 2" diameter swivel casters on 23" wheel base for smooth mobility
✓ Quality chrome material construction

The Global Industrial™ Mayo Instrument Stand allows you to keep important surgical instruments and supplies organized, nearby, and within comfortable reach. This instrument tray is made to be portable and height-adjustable – making it ideal for operating rooms and

patient rooms. Designed to easily roll beside medical beds and surgery tables. Five 2" diameter swivel casters on a 23" base provide balanced-footing and easy mobility. In addition to the instrument tray being height-adjustable it can also be secured in place by a lock. Convenient and removable stainless steel tray measures 19-1/4" x 12-3/4" allowing ample space for surgical instruments. The instrument tray is chrome-plated and features a sturdy aluminum-alloy base for lasting durability. 1-Year Limited Warranty.
