Omnimed® Medium Wall Pocket, 14"W x 7"H, Anodized Aluminum

★★★★★ (0)

Ships within 1 Business Day

Product Description

The Omnimed Wall Storage Pocket is constructed of durable yet light weight anodized aluminum or coated steel. It can be attached with the included pressure sensitive tape to a wall, door, bed, cart, or file cabinet for convenient and easy access to files and charts. Side flanges are also pre-drilled for easy mounting where screws are used to secure the pocket. This units comes in 7 inches high by 14 inches wide and taper to 1 inch depth at the bottom.
