Global Industrial™ (2) Hand Operated Hydraulic Furniture Moving Dollies, 3950 Lb. Capacity

★★★★★ (37)

Ships within 1 Business Day

Product Description

✓ Non-electric, hand-operated control
✓ Preferred for transporting heavy/odd shaped items
✓ Max 3950 lb. weight capacity per pair

Use the Global Industrial ™ 2-Hand Operated Hydraulic Furniture Moving Dollies to safely raise and transport bulky items including furniture, computer equipment, and vending

machines at controlled speeds. Ideal for any commercial truck or large transporting vehicle. The dollies are made of strong and durable steel with a protective powder coat finish and feature an intuitive hand-operated hydraulic pump that can raise loads up to 10"H, a positive ratchet mechanism, and a nylon strap to secure loads and prevent tipping or fall damage. For maximum maneuverability, the dollies are fitted with smooth-rolling swivel casters. Sold in pairs. Limited 1-Year Warranty.
