Product Description

Interion® 18"H Hardboard Stool, 2/pk

The durable construction and classic design of these heavy-duty stools from Interion® By Global Industrial are ideal for hands-on settings like art rooms, science labs, home economics or shop classrooms. These reliable stools feature a sturdy frame of 18-gauge steel tubing securely welded to a 14" diameter seat pan. Riveted to the pan are firm, round Masonite seats that will not warp, chip or crack as they provide years of dependable use.

Footrest rings are securely bonded to each leg with four spot well contact points. Includes non-marring polypropylene leg glides. Combines well with a 30"H Table. Comes in a pack of 2 stools.

Add accessories:

- Backrest - B2056744
- Adjustable Height Legs - B2056184
