Product Description

✓ Easy installation
✓ Safety side handrails for 3-point contact
✓ Pigtail connection easily transfers strobe light to top of the ladder

The 6-Step Ladder for the Global Industrial™ Stock Chaser provides your staff with more reach to inventory on higher shelves in your warehouse while driving the Global Industrial™ Stock Chaser. Perfect for expanding reach around storage facilities with static shelving and various warehouse racking. The 6-Step Ladder add-on is easy to install with 3 bolt holes on each side of the ladder. Pigtail connection is included, allowing the existing strobe light on

the 4-step section of the ladder to be easily transferrable to the very top of the add-on ladder. Ladder weight capacity is 330lbs.
