Global Industrial™ Portable Drum Lifter & Palletizer 800 Lb. Capacity

★★★★½ (4)

Ships within 1 Business Day

Product Description

Move and transport drums easily to and from pallets with this portable drum lift. Drum palletizer has a maximum lift height of 8". Dual ratchet stops hold the weight of the drum and provide several positions where the handle stays until the operator takes hold. The operator holds no weight and does not need to balance the drum truck. This mobile drum carrier features two 6" polyolefin load wheels and two 4" swivel casters provide smooth movement. Designed for rimmed 55 gallon steel drums. **1 Year Limited Warranty.**

Note: The Maximum Pallet Width = 40".
