Interion® Four Way Connector Kit With 1 Pass Through Cable

★★★★★ (0)

Ships within 1 Business Day

Product Description

Interion® OFFICE PARTITIONS WITH MODULAR WIRE MANAGEMENT RACEWAY
Interion® By Global Industrial Four-Way Connector Kit with Extended Corner Cable
Durable steel connector with Black finish easily joins 4 privacy partitions in a cross configuration. Extended corner cable helps provide extra cabling for 90° turns and intersection spans. Corner cable extension is required when joining Electric or Pass-Through Partitions at an angle. Order 1 kit for each 4-way connection planned. Easy

assembly with included hardware.
