Product Description

Interion® Active Seating Stool - Gray Fabric

Encouraging more movement during the day, these active stools from Interion® By Global Industrial feature a sturdy base with a seat that moves and leans with your body. Active seating engages major muscles and keeps you from slouching in your seat. Intended for height adjustable or standing desks, the pneumatic height adjustment offers a seat height range of 24"-32". Use this stool to help find the perfect balance of standing, sitting, leaning and moving throughout your work day.

BIFMA and Greenguard Certified
