Interion® Antimicrobial Synthetic Leather Guest Chair With Arms, Black

★★★★★ (0)

Ships Same Day

Product Description

Standout Features:

✓ Antimicrobial synthetic leather helps protect the chair integrity.
✓ 15 gauge legs ensure lasting support and durability.
✓ Traditional black powder coated frame.

This Interion® Guest Chair with Arms is an ideal choice for providing seating that consists of an antimicrobial upholstery to help protect the integrity of the chair while protecting from bacteria, mold, and mildew that causes odors and product degradation. The everyday design and simplistic size makes it easy to carry as you fill seminar rooms, waiting rooms, and other gathering places on the fly. This waiting room chair is striking, contemporary, and made with durability in mind. Each chair features a strong tubular steel frame in a powder coated black. Both the seat and back cushions are made of 2" thick foam covered in a durable nylon fabric that is then backed with a plastic shell. The armrests are constructed of molded polyurethane for reliable arm and elbow support.

- Chair is designed to support up to 275 lbs. of weight.
- Overall Chair Dimensions: 24-3/4"D x 26-1/2"W x 32-1/4"H.
- Seat Dimensions: 18"D x 19-1/4"W x 18"H.
- Easy assembly.
