Model: WBB3148776

# L.H.Dottie® Hex Head Tap Bolt, Low Carbon Steel, 3/4"-10 x 5-1/2", 25 Pack

★★★★★ (0)

Ships in 2 Business Days

## Product Description

Hex Head Tap Bolts can be fastened into internally tapped holes or used with a nut to pull assemblies together over a long length. For adjustment applications, they may be used with jam nuts to secure the assembly in place. They are manufactured to the IFI-199 standard.

**Special Features:**

- Fully Threaded
- Corrosion Resistant
- Low Carbon Steel Material

- Zinc Plated
