Global Industrial™ 72 x 36 Adjustable Height Workbench - Power Apron, ESD Safety Edge Blue

★★★★★ (1)

In Stock, Ships in 3-4 days

Product Description

This long lasting, high quality production workbench comes standard with rugged 2" square, 14 ga tubular steel height adjustable legs. Its legs adjust at 2" increments, and come with mounting hardware to attach to the bench top. This workbench is tested to withstand 5000 lbs capacity. The weight should be evenly distributed. It has a 1-1/4" thick static dissipative ESD top with safety radius edge. Pre-wired power apron for power tools and other electric equipment includes: 3 duplex 15 amp/115V outlets, circuit breaker and 13"L quick-disconnect power cord. The workbench comes with adjustable leveling floor glides and

leveling foot plates that allow floor anchoring. The workbench has a powder coat finish. It ensures quick and easy assembly. This workbench is ETL/cETL certified. This product has a limited warranty of 1 year.
