Product Description

3M™ All Purpose DT8 is an 8 mil silver duct tape with a synthetic rubber adhesive and water-resistant polyethylene backing and offers easy tear and conformability. The synthetic rubber adhesive makes it a great choice in sticking to smooth metal, glass, plastic, sealed concrete and more, and the water-resistant polyethylene coating seals well in moist and humid environments. Conveniently packaged in individual wrapped rolls preserves integrity of the roll for less waste.

Features:

- High durability

- Waterproof backing
- High tack and conformability
- Individually wrapped for easy identification and to keep the roll clean until ready for use
