Global Industrial™ 60 x 30 Mobile Production Workbench - Power Apron - ESD Safety Edge - Blue

★★★★★ (1)

Ships within 1 Business Day

Product Description

This versatile workbench helps moving the tools, supplies and workstation needs while maintaining an electrical power supply. The 1-1/4" thick static dissipative ESD top comes with a safety radius edge. This mobile workbench is built to last using rugged 2" square x 14 ga tubular steel legs that are 36"H overall with casters. The pre-wired power apron provides a convenient power source for electric equipment. Pre-wired power apron for power tools and other electric equipment includes: 3 duplex 15 amp/115V outlets, circuit breaker and

13"L quick-disconnect power cord. This workbench moves easily on 5" phenolic swivel casters with brakes. It ensures quick and easy assembly. The workbench has a powder coat finish. This product is ETL/cETL certified.

Specifications
