Model: WB271600

Anti-Slip Traction Walk Tape Roll, 2"W x 60'L, Black

★★★★★ (17)

Ships Same Day

Product Description

Anti-Slip Floor Tape
Solid Black
The skid resistance tape is constructed of a durable 46-grit aluminum oxide compound for excellent durability and longevity in both indoor and outdoor applications. Use on ladders, ramps, loading docks, and walkways. The water and chemical resistance solvent based acrylic adhesive system allows for adhesion over a wide variety of surfaces. Easy to install.
