Global Industrial™ Deep Square Hooks for Utility Cart, 2-3/8"W x 12-1/8"H, Gray, 2/Pack

★★★★★ (0)

Ships Same Day

Product Description

Pair of accessory hooks designed to be used with Industrial Service Carts. Hooks attach to the slotted legs allowing for increased functionality. This pair of hooks has been designed to easily carry 2x4's or other needed supplies. Hooks have a inside dimension of 2-3/8"W and a 12-1/8"H front to securely hold items in place. Spool holder rod openings are built into the underside of hooks and can hold up to a 3/4" O.D. rod to allow for easy storage and access to spools of wire, cable and other rolls. Actual Rod not included . Accepts Rod length 32-

1/2"L for large 44 x 25-1/2 Carts and 26-1/2"L for smaller 38 x 17-1/2" Cart. Patented
