Product Description

Complete Global Industrial™ Orbit Computer Workstation
78"H Mobile Unit with VESA Mount

This complete workstation includes a center post, work surface, flat panel screen mount and CPU holder. All steel surfaces include a rugged, attractive powder coat finish. Easy assembly.

The super strong 5" x 5" steel center post moves easily on a stable caster base that measures 38"W x 34"D x 10"H. Base includes four 4" rubber casters, 2 locking. To hide all cables, the post includes cable management openings.
The rectangular work surface is a 1" thick wooden core finished in rugged plastic laminate that measures 36"W x 20"D. This 78"H unit can accommodate sitting or standing users with 2 different work surface heights.
The VESA mount accommodates any flat panel monitor from 10-30". Mount permits monitor to tilt up 15° and down 5° easily and without tools to provide optimal viewing. Locks in place with a thumb screw.
The CPU/power supply holder adjusts to hold items up to 9"W securely and includes non-skid cushions to prevent marring.

Devices depicted in the image gallery are not included.
