★★★★★ (22)

Ships within 1 Business Day

Product Description

✓ 800 lb. maximum weight capacity
✓ Compatible with 55-gallon drums
✓ Sturdy steel construction with powder coat finish

Use your forklift to safely & easily lift, transport, and dump 55-gallon drums with the Global Industrial™ Forklift Tilting Drum Dumper. Made from powder coat-finished steel for a long service life, it can handle drums up to 800 lbs. and features a chain & locking mechanism to

keep the drum in position on the dumper and a manual dump system that consists of a pulley & 10'L chain to control the dumping procedure from the forklift driver's seat. A welded eyelet allows the dumper to be secured to the forklift a with user-supplied chain and T-handle screws on each fork pocket secures dumper to forks without tools. Limited 1-Year Warranty.

- Capable of rotating a drum 360°
- Scratch- & corrosion-resistant powder coat finish
- 7-1/2"W x 2-1/2"H fork tube size
- To dump, pull on chain, rotating drum to the angle required for emptying
- 500 lb capacity for tilting a half-full drum
- No assembly required
