★★★★★ (6)

Ships Same Day

Product Description

✓ All steel construction with a beige powder coat finish
✓ Monitors can be mounted at 52", 66", & 80"H
✓ 5" steel post with built-in internal cable management

The Global Industrial™ Orbit Stationary Computer Station provides a sturdy and practical solution for workshops, warehouses, and other industrial workspaces. Featuring a heavy-duty steel frame, a height-adjustable worksurface, and a VESA tilt mount, this workstation

can accommodate flat panel monitors from 10" to 30". This unit has a steel center post that bolts securely to the floor for stability and provides internal cable management with three openings at 15", 42-1/2", and 70"H. Built for versatility, this computer station can accommodate multiple users, sitting or standing, to improve efficiency and productivity. Limited 1-Year Warranty.

- Mount tilts up 15° and down 5° for optimal viewing
- Thumbscrew locks tilt angle into place
- Rectangular laminate worksurface has a 1" thick wooden core
- CPU holder features non-skid cushions and can adjust to hold items up to 9"W
