Product Description

Interion® By Global Industrial Raceway partitions create private offices and cubicles. Raceways provide convenient access for data cables & electrical wiring to keep office spaces clean and clear of visible wires. Can be connected together with Electric and Non-Electric panels to only place power where you need it. **Pass-Through Panels** include raceways with electric cabling to connect adjoining Electric panel raceways. Panel is flame retardant to meet California 117 flammability standard. 1-3/4" thick fabric upholstered panels feature an interior engineered wood (MDF) frame and honeycomb core covered with heavy

tackable liner for structural strength. 4"H Black powder coated steel raceways include cable management openings for phone & data cables. Removable raceway covers allow easy wiring access. **Deluxe Panels** feature a wood accent which attaches to top of partition, trimming panels with a Cherry finish. Accent cap measures 1-1/2"H x 1-3/4"D. **Windows** are made of translucent polycarbonate material which allows light to come in while still maintaining privacy. Window frame is approximately 3/4" wide. Includes adjustable leveling feet for uneven surfaces. 1 Year Limited Warranty.
