Product Description

Wesco® Gator Grip® Ergonomic Drum Handler – Lift, Move & Secure with Confidence

Make drum handling safer, faster, and easier with the Wesco® Gator Grip® Ergonomic Drum Handler – designed to take the strain out of drum lifting and placement..

Effortlessly lift and transport steel, poly, or fiber drums weighing up to 1,100 lbs. This powerful tool handles 30, 55, and 85-gallon drums with ease. A spring-loaded clamp

automatically secures any drum with a rim of 3/16" or more, while the foot-operated hydraulic pump raises the drum up to 20" off the floor for smooth pallet or spill platform placement. The Gator Grip® auto-locking mechanism ensures a secure hold-no slipping, even on uneven surfaces. 5" x 2" phenolic swivel casters offer excellent mobility, and a built-in floor lock provides rock-solid stability when needed..

Note: Built to perform. Engineered for safety. Perfect for busy warehouses, production floors, and shipping departments.
