Product Description

Interion® Steel Shop Stool with Vinyl Padded Seat and Adjustable Legs

The durable construction and classic design of these heavy-duty stools from Interion® By Global Industrial are ideal for hands-on settings like art rooms, science labs, home economics or shop classrooms. These reliable stools feature a sturdy frame of 18-gauge steel tubing securely welded to a 14" diameter seat pan. Riveted through the steel pan is

1/2"-thick vinyl cushioning that will provide years of dependable use. Footrest rings are securely bonded to each leg with four spotwell contact points. Adjustable height legs feature self-leveling glides and adjust in 1" increments up to 8 additional inches. Height Range - 25" - 33"H. 2 stools per pack.

Add Accessories:
Padded Backrest: 695733
