Global Industrial™ Reclosable Poly Bags, 24"W x 24"L, 4 Mil, Clear, 250/Pack

★★★★★ (1)

Ships Same Day

Product Description

These reclosable bags are made of 100% virgin low density polyethylene (LDPE) resin that meets FDA and USDA specifications and for long lasting durability. Their reinforced side welded locks seal in a single, smooth motion. These bags are chosen for ability to rival any reclosable bag and offer savings. They offer combination of clarity and quality without sacrificing features. Bags open along the width.

Features:

- Single track zipper extends the width of the bag and keeps products clean and free from moisture.
- Reclosable bags can be reused.
- Bags meet FDA and USDA requirements.
- Sizes listed are the inside usable dimensions of the bag.
