Product Description

Global Industrial™ 60"W x 30"D Mobile Adjustable Height C-Channel Leg Workbench - ESD Square Edge

Easily transport your workbench where you need it. 1-1/4" thick static dissipative ESD top with standard square edge. Height adjustable work benches maintain a proper work height. 13-gauge C-Channel Legs are reinforced with cross bracing for extra strength and rigidity.

Mobile work bench legs feature removable duplex knock-outs to accept electrical outlets (not included). Finished in scratch resistant gray powder coat. Mobile benches are easy to move on 5" casters (2 rigid, 2 swivel with brakes.)
