## Product Description

**Global Industrial Fold Down Forklift Work Maintenance Platform 36 x 36**

Global Industrial Forklift Work Platform elevates personnel to overhead racks and shelving for safe, convenient access. This convenient platform quickly and safely transports maintenance personnel where they are needed, and when not in use, unit can be folded down and moved out of the way.

**Features:**

- Side rails, gate and safety screen store within the 5 1/2"D base for additional safety
- 36" x 36" slip resistant checker floor plate and a 60" expanded metal screen helps protect operator from forklift masts
- Forklift Cage features 42"H handrails with mid-rail and locking gate
- Safety chain attaches platform to forklift
- 3 7/8" x 7 3/4" fork pockets are 26" on center
- Steel with durable high visibility yellow powder coat finish
- Includes four 5" swivel casters, 2 locking
- Overall height of 16"
- Base D : 4"
