Global Industrial™ Sloped Shop Desk w/ Pigeonhole Riser & Outlets, 34-1/2'W x 30"D, Gray

★★★★★ (0)

Ships Same Day

Product Description

This slanted shop desk is a multifunctional workstation designed for warehouse, shipping, distribution and other related applications. The pigeonhole riser measures 12"D x 7-3/4"H and stores supplies and various sized computer equipment for out of the way storage. The desk legs are height adjustable from 38" to 42-1/2"H at 1-1/2" increments providing added comfort and reducing fatigue during extended work periods. The locking drawer measures 22-3/4"W x 15-3/4"D x 4-1/2"H to secure content and create an added layer of protection against unauthorized access and theft. The 14 ga steel-channel-reinforced work surface

measures 34-1/2"W x 30"D and ensures years of reliable service in harsh working conditions. These desks include dual sided outlets for easy access to electrical power on both the front and back sides of the unit. The outlets include a 15' power cord and integrated circuit breaker for surge protection. The desk assemble easily with no wiring required. It has a gray powder coat finish.
