Product Description

Global Industrial® Mobile Laptop Computer Workstation

Laptop Computer Security Workstation

This Mobile Laptop Computer Workstation provides easy mobility of a laptop with theft-deterring security bar. Low-profile platform is angled at 10 degrees for ergonomic operation and allows clearance for interfaces. The security bar on the Mobile Laptop Workstation

secures your laptop via included screws or small padlock with a shackle diameter of up to 3/16" (sold separately). The Laptop Security Workstation unit also comes with a retractable mouse tray that can be attached on either side for convenience.

The Laptop Workstation platform measures 15-1/2"W x 11-3/8"D and is made of steel affixed to a lightweight and durable aluminum post. Center post of unit measures 1.57" diameter. Laptop tray fits typical laptops up to 15" screens. Mobile Laptop Workstation glides smoothly on five 2.5" swiveling casters (3 locking). Optional Printer Shelf, and CPU Holder are available and sold separately. Easy assembly.
