Product Description

Standout Features:

✓ Returns to locked upright position when set down on the ground.
✓ Beveled front edge helps keep scoop completely in contact with floor and ground surface.
✓ Fork tubes include safety chain to help secure loader to fork truck.

Made to help push heavy debris more efficiently, the Global Industrial™ Forklift Mount Front End Loader is built with thick steel construction and leak-proof welds that make it suitable for moving snow, salt, dirt, scrap metal, and refuse. Unit rolls completely forward to empty contents and returns to locked upright position when set down on the ground. Durable powder coat finish. 1-1/3 cubic yard capacity and 64"W x 63"D x 23"H overall. 1 Year Warranty.

- Dump cable included, which allows for a safe dump operation from seat of the truck.
- Fork pockets measure: 28"D x 7-1/2"W x 2-1/2"H mounted on 24" centers.

NOTE: OSHA requires contacting the manufacturer of your fork truck for written approval for the use of any fork truck attachments.
